VPC-E10 Series

**So Simple, So Easy**

## 10 Megapixel

10.34 megapixel (total) CCD, the VPC-E10 lets you take beautiful still images with vivid, true-to-life color and extraordinary detail.

## 5x Optical Zoom

The VPC-E10 incorporates a high-performance 5x optical zoom lens with a maximum aperture of F3.5, allowing distant subjects and people to be captured in beautiful quality.
